Hi All,

The Historic Core's newest French concept store / cafe / wine bar, Garcons de Cafe is opening this Friday in the

Spring Arcade. The French owners Thomas and Sofian have operated their online store while living in the Historic Core for years and are excited to manifest their passion and culture in this first retail location.

We'd love to arrange a ribbon cutting ceremony with the Councilmember. Please let us know an available date and we will coordinate with the owners.

Thank you,

Noah
